- **STEP-BY-STEP** process walks users through each eligibility requirement, including:

Am I **eligible**?
What is my **filing status**?
Do my **children** qualify?
How much is my **credit**?

AVOID the three most common mistakes

- 1** Taxpayers who claim a child that doesn't qualify
- 2** Married taxpayers who incorrectly file as single or head of household
- 3** Taxpayers who under or over report income
